

YOUR BOAT

You will be stepping aboard in style on the state of the art, OMBRE BLU. A 51ft (15.54 m) Lagoon 500 Fly Bridge Catamaran Year 2008.

Built for stability and comfort as well as speed, she is spacious, handsomely appointed, and has a wonderfully open and airy atmosphere below decks. There are three private queen size guest rooms. Each has an en-suite bathroom. The boat features a very spacious saloon with large, wraparound windows. The saloon offers a state of the art DVD entertainment system with stereo sound, plus Satellite TV and WIFI internet access. The master guest room is equipped with a Television and DVD player. All guest rooms have Bose ipod docking stations. Naturally, OMBRE BLU is air conditioned throughout.
